

CAPABILITY OVERVIEW

GHULAM MURTAZA, MRCPharm

Medical Information · Final Medical Signatory · ABPI/PMCPA Compliance

GPhC-Registered Pharmacist · Notified Final Signatory (MHRA & PMCPA)

GPhC-Registered Pharmacist

Reg. No. 2084661

MRCPharm – Royal College of Pharmacy

Reg. No. 1091612

Final Medical Signatory

ABPI / PMCPA

20+ years across UK regulatory, medical & compliance

Ensuring the information reaching patients and healthcare professionals is accurate, balanced and compliant — from certified materials to evidence-based medical information and the governance behind them.

FINAL MEDICAL SIGNATORY & COPY APPROVAL

- Notified Final Medical Signatory (ABPI Code Clause 8) — MHRA & PMCPA; 100+ assets (promotional & non-promotional) certified
- Certification vs examination decisions; AQP examination of non-certifiable items
- Claims vs SmPC, clinical evidence & NHS standards; appropriate balance
- Prescribing information, content & image-rights verification
- Copy approval via Veeva Vault PromoMats & Vodor — audit-ready trails

MEDICAL INFORMATION SERVICES

- UK Medical Information (scientific service) designed & led from inception
- 500+ enquiries handled: patients, carers, HCPs, hospital MI units & regulators
- Standard Response Letters, FAQs & evidence summaries
- PV/MI interface, adverse-event escalation & quarterly reconciliation
- Literature search & critical appraisal (PubMed, Embase, Cochrane)

MLR REVIEW & COMPLIANT CONTENT

- MLR reviewer across 200+ digital & print assets (promotional & non-promotional)
- Websites, emails, adverts, prescribing information & representative training
- Dual perspective — also an experienced compliant content creator
- Constructive, commercially aware review — always certified independently
- Medical, legal & regulatory review against ABPI/PMCPA Code & MHRA guidance and standards

ABPI/PMCPA COMPLIANCE & GOVERNANCE

- ABPI Code governance SOP frameworks (20+ SOPs) — authored & directorate-approved
- Internal Compliance Team — ABPI Disclosure UK (transfers of value)
- Internal audits & product-recall coordination
- Governance training for staff & representatives — ABPI Code, medicinal products, SOPs & policies
- Advisory board meetings governance; MHRA liaison

TRACK RECORD
